Dream Big. Keep It Real. Get It Done!

Commitment: You must make a commitment to work toward your purpose and passion. After you have read this book and completed the exercises, I encourage you to make a commitment to achieving success in your life. Sign this contract, take a picture of the contract, and send or email a copy of your contract to your Pragmatic Passion Partner so they can help you with your new mission.

“Many people don't focus enough on execution. If you make a commitment to get something done, you need to follow through on that commitment.” - Kenneth Chenault, CEO of American Express Corporation

I commit to consistently applying the 7 Common Sense Principles I have learned from reading *The Power of Pragmatic Passion*. I will work with my Pragmatic Passion Partner to assist me in keeping my word by holding me accountable to this commitment to become a Pragmatic Passioneer.

I commit to bring a positive attitude, passion, work ethic, and perseverance to this journey.

I commit to being laser focused by doing a digital detox during the time I have allotted for reading and doing all the exercises as sincerely as I can.

I commit to accepting constructive feedback from my Pragmatic Passion Partner.

I commit to Dream Big... Keep it Real... and to Get it Done!
